Class Descriptions:

Pilates Reformer:

One of Joseph Pilates' original pieces of apparatus, the Reformer allows you to gain strength and control while being easily modifiable to all bodies.

**Introductory sessions required*

EXO Chair:

A newer addition to the Pilates apparatus, the EXO chair brings the best of the original Low Chair, Reformer and Mat all together into a great balance and strength workout.

**Introductory sessions required*

Pilates Mat:

No equipment required. Join us for the most comprehensive core workout you have ever experienced. No previous experience or sign up required.

Barre:

We offer 3 versions of the super popular Barre method that caters to all fitness levels. No previous experience or sign up required. See class descriptions here. →
